The Singapore Issues in Cancún: A Failed Negotiation Ploy or a Litmus Test for Global Governance? V/249

Ziegler, Astrid, Düsseldorf
The European Structural Funds under Discussion VI/305

Zimmermann, Thomas A., Hauser, Heinz, St. Gallen
The Challenge of Reforming the WTO Dispute Settlement Understanding V/241

2. Index by Subjects

Africa

Africa: Conflict Management and Hopes of Better Governance IV/166

Agriculture

Agriculture in the EU's Eastern Enlargement – The Current Status for CEECs I/19

EU Enlargement and Governance of the Common Agricultural Policy II/86

EU Enlargement: External Economic Implications IV/196

How Relevant is the Failure of Cancún for World Agriculture? V/245

Recovering from Cancún: the EU Responsibility VI/339

Argentina

Do Currency Boards Increase the Credibility of Exchange-rate Pegs? VI/328

Blue Banana

Beyond the Blue Banana? Structural Changes in Europe's Geo-Economy II/76

Budgetary Policy

Credible At Last? Reforming the Stability Pact I/15

How Can the Stability and Growth Pact be Improved to Achieve both Stronger Discipline and Higher Flexibility? I/10

The Stability and Growth Pact Neglects the Policy Mix between Fiscal and Monetary Policy I/4

What To Do with the Stability Pact I/7

Business Cycle

Hesitant Recovery in the World Economy I/51

Slow Recovery in the Global Economy V/283

The New Economy Is Dead, Long Live the Information Economy V/276

Cancún Summit

Economic Development and the WTO: Back to Basics? V/232

Financial Services: Broad Support for a Difficult Task V/256

Growing Regionalism – A Major Challenge to the Multilateral Trading System V/237

How Relevant is the Failure of Cancún for World Agriculture? V/245

Recovering from Cancún: the EU Responsibility VI/339

The Challenge of Reforming the WTO Dispute Settlement Understanding V/241

The Singapore Issues in Cancún: A Failed Negotiation Ploy or a Litmus Test for Global Governance? V/249

Whither Euro-American Leadership in the WTO? V/235

CAP

Agriculture in the EU's Eastern Enlargement – The Current Status for CEECs I/19

EU Enlargement and Governance of the Common Agricultural Policy II/86

Recovering from Cancún: the EU Responsibility VI/339

CEECs

Agriculture in the EU's Eastern Enlargement – The Current Status for CEECs I/19

Do Currency Boards Increase the Credibility of Exchange-rate Pegs? VI/328

EU Enlargement: External Economic Implications IV/196

Real and Nominal Convergence in the Central and East European Accession Countries VI/323

Speculative Attack Against the Hungarian Forint – Preliminary Lessons and Conclusions III/132

CFSP

Europe after the Iraq War II/58

Climate Policy

Europe – a Pioneer in Greenhouse Gas Emissions Trading: History of Rule Development and Major Design Elements IV/219

Russia's Reluctance to Ratify Kyoto: an Economic Analysis VI/346

Cohesion

A Cohesion Policy for the Future VI/295

Convergence among EU Regions, 1990-2001 – Quality of National Institutions and "Objective 1" Status V/270

Reforming EU Cohesion Policy: An Assessment of the Debate VI/302

Territorial Disparities in Europe III/156

The European Structural Funds under Discussion VI/305

The Future of European Regional Policy VI/292

Company Laws

Regulatory Competition between Company Laws in the European Union: the Überseering Case II/102

Competition Policy

German Public Banks under the Pressure of the EU Subsidy Proceedings II/94

Competitiveness

How Competitive are Europe's Economies? Findings of the Global Competitiveness Report 2002-2003 I/31

Conflict Management

Africa: Conflict Management and Hopes of Better Governance IV/166

Convention on the Future of Europe

Decision-Making and the Draft Constitution: Have We Really Cleaned Up Our Legal Acts? IV/170

(More) Federal Features for the EU? IV/179

The Convention Has Achieved an Impressive Consensus IV/168

The Draft EU Constitution: Still a Work in Progress IV/176

Towards Ever More Confusion? The Convention's Proposal for a European Constitution IV/185

Withdrawal Legitimised? On the Proposal by the Constitutional Convention for the Right of Secession from the EU IV/182

Convergence

A Cohesion Policy for the Future VI/295

Convergence among EU Regions, 1990-2001 – Quality of National Institutions and "Objective 1" Status V/270

How Efficient is Joint Decision-Making in the EU? Environmental Policies and the Co-Decision Procedure VI/312

Real and Nominal Convergence in the Central and East European Accession Countries VI/323

Reforming EU Cohesion Policy: An Assessment of the Debate VI/302

The European Structural Funds under Discussion VI/305

The Future of European Regional Policy VI/292

Creative Cities

Creative Cities in Europe – Urban Competitiveness in the Knowledge Economy V/260

Credibility

Do Currency Boards Increase the Credibility of Exchange-rate Pegs? VI/328

Currency Boards

Do Currency Boards Increase the Credibility of Exchange-rate Pegs? VI/328

Decision-making Rules

A (Critical) Appraisal of the ECB's Voting Reform III/129

An Opportunity Missed! III/124

Decision-Making and the Draft Constitution: Have We Really Cleaned Up Our Legal Acts? IV/170

(More) Federal Features for the EU? IV/179

The Convention Has Achieved an Impressive Consensus IV/168

The Draft EU Constitution: Still a Work in Progress IV/176

The New ECB Voting System: Some Room for Improvement VI/334

The Rotation Model Is Not Sustainable III/119

The Way Ahead III/116

Towards Ever More Confusion? The Convention's Proposal for a European Constitution IV/185

Withdrawal Legitimised? On the Proposal by the Constitutional Convention for the Right of Secession from the EU IV/182

Demand Shocks

Unwarranted Final Demand Shocks of Public Deficits Reductions in Germany – UMTS Windfall Revenue Impacts I/38

Dispute Settlement Understanding

The Challenge of Reforming the WTO Dispute Settlement Understanding V/241

Doha Round

Economic Development and the WTO: Back to Basics? V/232

Financial Services: Broad Support for a Difficult Task V/256

Growing Regionalism – A Major Challenge to the Multilateral Trading System V/237

How Relevant is the Failure of Cancún for World Agriculture? V/245

Recovering from Cancún: the EU Responsibility VI/339

The Challenge of Reforming the WTO Dispute Settlement Understanding V/241

The Singapore Issues in Cancún: A Failed Negotiation Ploy or a Litmus Test for Global Governance? V/249

Whither Euro-American Leadership in the WTO? V/235

ECB

A (Critical) Appraisal of the ECB's Voting Reform III/129

An Opportunity Missed! III/124

European Monetary Policy: Institutional Design and Policy Experience IV/209

The ECB's "New" Strategy III/114

The New ECB Voting System: Some Room for Improvement VI/334

The Rotation Model Is Not Sustainable III/119

The Way Ahead III/116

Economic Geography

Beyond the Blue Banana? Structural Changes in Europe's Geo-Economy II/76

Territorial Disparities in Europe III/156

Economic Trends

Europe – a Pioneer in Greenhouse Gas Emissions Trading: History of Rule Development and Major Design Elements IV/219

Hesitant Recovery in the World Economy I/51

Oil Prices Decline as Concerns about Supplies Lessen II/109

Revised HWWA Commodity Price Index VI/350

Slow Recovery in the Global Economy V/283

Territorial Disparities in Europe III/156

Emissions Trading

Europe – a Pioneer in Greenhouse Gas Emissions Trading: History of Rule Development and Major Design Elements IV/219

EMU

A (Critical) Appraisal of the ECB's Voting Reform III/129

An Opportunity Missed! III/124

Credible At Last? Reforming the Stability Pact I/15

European Monetary Policy: Institutional Design and Policy Experience IV/209

How Can the Stability and Growth Pact be Improved to Achieve both Stronger Discipline and Higher Flexibility? I/10

Real and Nominal Convergence in the Central and East European Accession Countries VI/323

The ECB's "New" Strategy III/114

The New ECB Voting System: Some Room for Improvement VI/334

The Rotation Model Is Not Sustainable III/119

The Stability and Growth Pact Neglects the Policy Mix between Fiscal and Monetary Policy I/4

The Way Ahead III/116

What Should Be Made of the Swedish Decision? V/230

What To Do with the Stability Pact I/7

Enlargement

A (Critical) Appraisal of the ECB's Voting Reform III/129

Agriculture in the EU's Eastern Enlargement – The Current Status for CEECs I/19

An Opportunity Missed! III/124

Costs and Benefits of EU Enlargement IV/190

Decision-Making and the Draft Constitution: Have We Really Cleaned Up Our Legal Acts? IV/170

EU Enlargement and Governance of the Common Agricultural Policy II/86

EU Enlargement: External Economic Implications IV/196

(More) Federal Features for the EU? IV/179

Real and Nominal Convergence in the Central and East European Accession Countries VI/323

Speculative Attack Against the Hungarian Forint – Preliminary Lessons and Conclusions III/132

The Convention Has Achieved an Impressive Consensus IV/168

The Draft EU Constitution: Still a Work in Progress IV/176

The New ECB Voting System: Some Room for Improvement VI/334

The Rotation Model Is Not Sustainable III/119

The Way Ahead III/116

Towards Ever More Confusion? The Convention's Proposal for a European Constitution IV/185

Withdrawal Legitimised? On the Proposal by the Constitutional Convention for the Right of Secession from the EU IV/182

Environmental Policy

How Efficient is Joint Decision-Making in the EU? Environmental Policies and the Co-Decision Procedure VI/312

ESDP

Territorial Disparities in Europe III/156

EU

A (Critical) Appraisal of the ECB's Voting Reform III/129

A Fading Glory? II/69

Agriculture in the EU's Eastern Enlargement – The Current Status for CEECs I/19

An Opportunity Missed! III/124

Better Internal Market Regulation II/66

Beyond the Blue Banana? Structural Changes in Europe's Geo-Economy II/76

Completing the European Home Market by 2009 II/63

Convergence among EU Regions, 1990-2001 – Quality of National Institutions and "Objective 1" Status V/270

Costs and Benefits of EU Enlargement IV/190

Creative Cities in Europe – Urban Competitiveness in the Knowledge Economy V/260

Credible At Last? Reforming the Stability Pact I/15

Decision-Making and the Draft Constitution: Have We Really Cleaned Up Our Legal Acts? IV/170

EU Enlargement and Governance of the Common Agricultural Policy II/86

EU Enlargement: External Economic Implications IV/196

Europe after the Iraq War II/58

European Monetary Policy: Institutional Design and Policy Experience IV/209

Europe – a Pioneer in Greenhouse Gas Emissions Trading: History of Rule Development and Major Design Elements IV/219

German Public Banks under the Pressure of the EU Subsidy Proceedings II/94

How Can the Stability and Growth Pact be Improved to Achieve both Stronger Discipline and Higher Flexibility? I/10

How Competitive are Europe's Economies? Findings of the Global Competitiveness Report 2002-2003 I/31

How Efficient is Joint Decision-Making in the EU? Environmental

Policies and the Co-Decision Procedure VI/312

(More) Federal Features for the EU? IV/179

Prefential Rules of Origin – A Conceptual Outline III/138

Real and Nominal Convergence in the Central and East European Accession Countries VI/323

Recovering from Cancún: the EU Responsibility VI/339

Regulatory Competition between Company Laws in the European Union: the Überseering Case II/102

Speculative Attack Against the Hungarian Forint – Preliminary Lessons and Conclusions III/132

Territorial Disparities in Europe III/156

The Convention Has Achieved an Impressive Consensus IV/168

The Draft EU Constitution: Still a Work in Progress IV/176

The ECB's "New" Strategy III/114

The Never-ending Story II/73

The New ECB Voting System: Some Room for Improvement VI/334

The New Economy Is Dead, Long Live the Information Economy V/276

The Rotation Model Is Not Sustainable III/119

The Stability and Growth Pact Neglects the Policy Mix between Fiscal and Monetary Policy I/4

The Way Ahead III/116

Towards Ever More Confusion? The Convention's Proposal for a European Constitution IV/185

We Need to Regain the Confidence and Boldness of the Early Days II/60

What Should Be Made of the Swedish Decision? V/230

What To Do with the Stability Pact I/7

Whither Euro-American Leadership in the WTO? V/235

Why Growth Is So Important VI/290

Withdrawal Legitimised? On the Proposal by the Constitutional Convention for the Right of Secession from the EU IV/182

European Constitution

Decision-Making and the Draft Constitution: Have We Really Cleaned Up Our Legal Acts? IV/170

(More) Federal Features for the EU? IV/179

The Convention Has Achieved an Impressive Consensus IV/168

The Draft EU Constitution: Still a Work in Progress IV/176

Towards Ever More Confusion? The Convention's Proposal for a European Constitution IV/185

Withdrawal Legitimised? On the Proposal by the Constitutional Convention for the Right of Secession from the EU IV/182

Federalism

(More) Federal Features for the EU? IV/179

Financial Services

Financial Services: Broad Support for a Difficult Task V/256

Fiscal Policy

Credible At Last? Reforming the Stability Pact I/15

How Can the Stability and Growth Pact be Improved to Achieve both Stronger Discipline and Higher Flexibility? I/10

The Stability and Growth Pact Neglects the Policy Mix between Fiscal and Monetary Policy I/4

What To Do with the Stability Pact I/7

Foreign Direct Investment

EU Enlargement: External Economic Implications IV/196

Foreign Trade

Economic Development and the WTO: Back to Basics? V/232

EU Enlargement: External Economic Implications IV/196

Financial Services: Broad Support for a Difficult Task V/256

Growing Regionalism – A Major Challenge to the Multilateral Trading System V/237

How Relevant is the Failure of Cancún for World Agriculture? V/245

Prefential Rules of Origin – A Conceptual Outline III/138
